## Disaster Management Plan

### Mock Drill Conducted on March 30, 2022

A **Mock disaster drill** was conducted on 30th March 2022 at GIFT House. The aim of training was to check preparedness for a disaster. The exercise aimed at involving all the stake holders of Disaster Management in order to assess response of the GIFT City, Disaster Management Team towards a disaster situation.

#### A. Hypothetical Scenario:

- Date of Event: 30th March 2022
- Time of Event: 02:30 Pm
- Fire occurred at 1st floor Electrical Panel room & two (02) occupants trapped.
- Time of the event: Tigger intimation from Fire alarm & detection system & B-DMO (GIFT House) informs C4 HELPDESK – GIFT Fire Services

#### **Effect:**

- Dense smoke emitting from first floor propagating and accumulating in the atrium area eventually spreading at all the floors
- Electrical panel at first floor engulfed in fire, situation critical and out of control.

#### **Actions:**

- Evacuation, Firefighting, Search and Rescue operations was carried out.
- Isolation of affected utilities – Electricity

## **B. Activities Conducted at City level prior to Mock Drill:**

- i) Tabletop exercise and Scenario discussion with B-DMO & Floor wardens of GIFT House.**

- ii) Tabletop exercise and Scenario discussion with IRS – Command Staff**

### C. Posts and Facilities established during the drill:

#### **Staging area:**

Staging Area is an area where resources are collected and kept ready for deployment for field operations. These may include things like food, vehicles and other materials and equipment. The SA is to establish at a suitable area near the affected site. The staging area for the exercise was designated at Fire Station.

**Incident Command Post (ICP):** The ICP is the location at which the primary command functions and coordination functions are performed. The ICP was a set up nearby to GIFT House at safe distance.

## Relief Camp (RC):

A relief camp is set up to provide temporary facilities like food, water & shelter to the victims of a disaster. A relief camp was set up nearby to GIFT House at safe distance.

## Medical aid post:

Medical aid post is established to provide medical assistance to the victims. A medical aid post will be set up nearby to GIFT House at safe distance.

G. Glimpses of Mock drill:
